

# Nairobi Radio TV — Business Development Playbook

STRATEGIC PROSPECTING, SALES EXECUTION & PRODUCT OFFERINGS

**Overview:** Business Development (BD) creates long-term value for Nairobi Radio TV through strategic relationships, market expansion, and consistent revenue generation. BD Officers act as brand ambassadors connecting our media services to external clients.

## 1. Core BD Aspects & Outside World Engagement

Success in Business Development relies on active engagement with external ecosystems rather than working in isolation:

- **Proactive Networking:** Build relationships by attending industry summits, community events, trade expos, and media functions.
- **Market Intelligence:** Observe market trends, competitor strategies, and client campaign needs during real-world interactions.
- **Relationship Management:** Maintain regular contact with brand managers, event organizers, and decision-makers to position Nairobi Radio TV as their go-to partner.

## 2. Mastering Prospecting, Searching, Closing & Upselling

### A. Better Prospecting & Searching

- **Target Alignment:** Match target clients to specific Nairobi Radio TV offerings (e.g., approach corporates for digital campaigns, schools for talent shows).
- **Multi-Channel Outreach:** Combine warm referrals, LinkedIn networking, phone calls, and direct office visits to reach key decision-makers.
- **Identify Pain Points:** Focus on client goals (brand visibility, audience reach, event coverage) before making a proposal.

### B. Closing Business Better

- **Demonstrate Value & ROI:** Clearly present how our platform reaches target audiences and delivers real engagement.
- **Overcome Objections:** Resolve budget concerns by adjusting package sizes or proposing trial promotional slots.
- **Clear Next Steps:** Secure explicit commitments, agreement timelines, and contract signatures promptly.

### C. Strategic Upselling

- **Package Bundling:** Turn single transactions into comprehensive packages (e.g., bundle a Radio TV Ad with Presenter Mentions & Digital Campaigns).
- **Cross-Selling Offerings:** Pitch Photography or Branded Merchandise as add-ons for event coverage packages.
- **Long-Term Contracts:** Transition single-run clients into monthly or quarterly recurring sponsorship retainers.

## 3. Nairobi Radio TV Products, Services & Target Markets

| # | Product / Service                    | Primary Target Market                 |
